PARKLAND FUN BALL & SOCCER LEAGUE

TO ALL COACHES, PLAYERS & SPECTATORS

As our league grows and competition increases it is important that we all remember that this is a FUN Ball League.

The objective of our league is fun and recreation. There are no million-dollar contracts, people still have to get up and go work the next day, and the rules and regulations of our league have been instituted for everyone's safety and well-being.

PLEASE KEEP YOUR COOL!! Accept the probability that players, coaches and umpires will make mistakes, and of the two participating teams, odds are one team will lose. If you feel that an injustice has been done, calmly request a time-out and discuss the matter in question with the umpire and the opposing coach. Accept the umpire's decision as final and that sometimes you must agree to disagree. Complaint/incident forms are available in the schedules if teams feel further action is necessary, forms should be filled out completely and sent to the league office. (Address below)

It is each team's coach or contact's responsibility to be sure to inform their players of the league rules and regulations at the start of the season, and to see that their team behaves accordingly.

We must all remember that we are examples to the fans and youngsters in the stands. Bad tempers, foul language, and intoxicated players are not how we want our league perceived. It is our responsibility as the adult league to show, by example, that our league is fun and that good sportsmanship is important at all times, in any division.

LEAGUE OBJECTIVE: FUNBALL

1. To provide organized participation.
2. To instill rules and regulations as instituted and voted upon by the general members and communities.
3. To coordinate scheduling of games for all divisions.
4. TO KEEP OUR LEAGUE FUN!

PARKLAND FUN BALL LEAGUE

*** LEAGUE RULES ***

1. **Game Times:** All games will begin at 7:00 pm.
2. **Length of Game:** All games will be **2** hours **and/or 7** innings.
3. **Rules:** **ALL** rules in the "Softball Canada Official Guide and Rule Book" shall apply in ALL games, with the following exceptions:
4. **Player Rotation:** Players in all league categories **MUST** be rotated into games. Players cannot sit out two consecutive innings. Players not receiving equal playing time are advised to consult their community league sports organizers, team management and/or use the complaint form and contact the league. (Operations Manual #18)
5. **Minimum number of males and females:** There must be a minimum of 3 players of each gender on the field at all times. Upon agreement by both teams and the umpire, teams may play with 2 women or 2 men, only in the case of an absence or injury. Teams would then field a team with 8 players, 6 men 2 women (or vice versa), and must take an OUT for the missing/injured player's turn in the batting order.

Dependent upon tournament formats, teams with less than 3 players of each gender can lead to forfeiture of the game.

6. **Pitcher:** The team pitcher must be female.
7. **Player Substitution:** Any player, including the pitcher, may only be substituted from the bench in case of an injury. Any other substitutions must come from within the playing field. (Operations Manual #18)
8. **Pitching Distance:** The pitcher must pitch 42 feet from the back of home plate. 9.

Bases: All bases will be 60 feet apart.

10. **Rained Out or Cancelled Games:** Any rained out or cancelled games will be made up on any date mutually agreed upon by the teams involved, when possible. All cancelled games are to be reported by email to the league by each team reporting the names of the teams involved, date, location and reason for cancellation or by posting on the website. Cancelled games are to be monitored by the League and action will be taken where necessary. (Operations Manual #23) **Any team cancelling a regular league game after 5 p.m., for any reason other than weather, will be fined \$30.00.**

11. **Umpires:** The home team will provide at least one umpire, preferably two, for each game.

Umpire equipment: All umpires **MUST** wear a facemask to prevent injury. The umpire plays equally as important a role as any player and risks injury from errant pitches or tipped foul balls.

Threatening an Umpire: Anyone who threatens an umpire (either physically or verbally)

Parkland Fun Ball 2025 Adult League

will be immediately suspended until a committee grievance meeting has been conducted. (Operations Manual #24)

12. **Helmets:** An official batter's helmet SHOULD be worn by all batters and base runners. Helmets MUST have temple protection and be strapped to the head. **ANY** player under the age of 18 **MUST** wear a helmet when batting, running bases, or base coaching. (Operations Manual #5)

13. **Throwing the Bat:** Should a batter throw his/her bat, he or she will be declared "OUT" by the Umpire. This stands true for players throwing their bats in a fit of temper after a strikeout or what they consider a bad call by the umpire. **BAD TEMPER WILL NOT BE TOLERATED.** There may be a warning for the 1st offence but upon a 2nd offence the result is immediate ejection from the game. Players/teams ejected from games will be reviewed by the league. (Operations Manual #24)

14. **NO METAL CLEATS:** Metal cleats are not allowed in any divisions of play.

15. **Batting Order:** Shall consist of the entire team line-up as listed on the score sheet.

16. **Seven-Run Rule:** All players continue to bat in consecutive order until there are three outs or seven runs scored, (7 run rule in effect), maximum runs scored are 10. To stop play after the 7th run has scored, either home plate or a base in front of the lead runner must be tagged **OR** a runner must be tagged for an out. **If a team is down by less than 10 runs, then the last inning must end on an out. Once the 10th run is in, the game is over. Any out (whether 1st, 2nd, or 3rd) after the 7th run is in ends the game. The maximum is still 10 runs.**

17. **Ball:** The official ball to be used is the 12"(twelve inch) YELLOW/OPTIC soft ball with a core rating less than 50.

18. **Bats:** Parkland Fun Ball will accept the following Certification Stamps:

<http://www.softball.ca/english/about/approved/equipment/bats.html> With the exception of the banned bat list or banned – approved bat list
<http://www.asasoftball.com/usa/e/equipment.asp>

19. **First Aid Kits:** A basic first aid kit (list in schedule), including ice packs, are mandatory for all teams in all categories of league play. First Aid In-service for coaches, players, and team management is the responsibility of the community or team management. Failure to have a complete first aid kit at the bench at all times can result in a \$25.00 fine and up to \$50.00 for repeat failure to comply with this rule. (#20 Operations Manual)

20. **The Infield Fly Rule is in Effect:**

An INFIELD FLY is a fair fly ball (not including a line drive nor an attempted bunt), which can be caught by an infielder with ordinary effort when first base is occupied or when there is a forced play with less than two outs. The pitcher, catcher, or any out-fielder who stations himself/herself on the infield on the play shall be considered infielders for

the purpose of this rule.

Infield Fly Rule:

When it seems apparent that a batted ball will be an infield fly, the umpire shall immediately declare "Infield fly, if fair". The ball is declared **DEAD**, the runners **do not** proceed and the batter is **OUT**.

If a declared infield fly is allowed to fall untouched to the ground and bounces foul before passing first or third base, it is a foul ball. If a declared infield fly falls untouched to the ground outside the baseline and bounces fair before passing first or third base, it is an infield fly.

On the infield fly rule, the umpire is to rule whether an infielder could ordinarily have handled the ball – not by some arbitrary limitation such as the grass or the baselines. The umpire must rule also that a ball is an infield fly, even if handled by an outfielder if, in the umpire's judgment, the ball could have been as easily handled by an infielder. The infield fly is in no sense to be considered an appeal play. The umpire's judgment must govern, and the decision should be made immediately.

21. **Alcoholic Beverages & Cannabis:** There is to be absolutely no consumption of alcohol, **or cannabis** on the bench before or during games. It is each team's responsibility to enforce this rule and not allow players to play while intoxicated. (Operations Manual #24)

22. **Safety Equipment:**

Back Catching:

Adults should consider this rule as well for their own safety: For all under 18 age groups, the catcher **MUST** wear an approved CSA ball helmet, **facemask, throat protector**, shin guards, belly pads and an athletic supporter with cup. All catchers in the adult league **must** wear a minimum of a facemask with throat protector. Players shall be encouraged to wear a ball cap with a good visor and running shoes (laced up). Players shall be encouraged to wear long pants. (#19 – Operations Manual)

Pitching:

ALL PITCHERS – age groups 6 to 17 years – **MUST** wear a pitchers' mask while pitching. Adult division will remain optional but is **STRONGLY** encouraged. **ALL TEAMS**, coach pitch up to and including adults, are required to carry a pitchers' mask as part of their team equipment. Failure to comply with this rule will incur a \$25.00 fine payable to the League. Further non-compliance can lead to a \$50.00 fine and disciplinary action. (Operations Manual #19)

23. **Safe-Base:** An innovative concept to promote safety and reduce collision, injury, broken bones, spiking, etc. at first base where most injuries occur.

Rules governing the use of "SAFEBASE" state:

If a pitched ball is bunted, hit to the infield, or a dropped 3rd strike, and the batter/base-runner fails to use the orange portion of the base on his or her first attempt at 1st base, if a play is made and the batter/base-runner either interferes with or makes contact with the defensive player, the batter/base-runner is OUT.

If a batted ball touches any part of the white portion of the base, it is a fair ball. In order for it to be foul, it must hit totally on the orange portion.

After the first attempt at 1st base, only the white portion of the base is to be used by the

Parkland Fun Ball 2025 Adult League

base runner.

i.e.: If the batter/base-runner rounds 1st base on a walk, on a hit through the infield, or directly to the outfield, either the white or orange portion may be used. He or she must return to the white portion of 1st base when tagging up or when returning after having passed 1st base.

A defensive player must use **ONLY** the white portion of the base at all times.

24. **Jewelry:** Players must remove jewelry, particularly earrings, in order to prevent injuries.

25. **Tagging Safely Rules:** All players hold the responsibility to tag a player safely. It is not necessary to tag a person with intensity. Tags can be done adequately below the belt. There is no reason to tag on, or near, the head.

FAKE TAGGING: (tagging without possession of the ball) is against the rules. Doing so will result in each of the on-base runners being advanced one base.

26. **Third Strike Rule:** The batter may run to first base, provided first base is unoccupied or, there are two out.

27. **Blocking Base Paths:** Numerous injuries and confrontations occur because of deliberate blocking of the base paths. Every player must be aware that the runner has the right to run 3 feet outside the baseline to avoid a fielder attempting to field a hit ball. The baseman has the responsibility of making the play at the base while not interfering with the base runner. If a tag is easily made, both the runner and baseman should make EVERY effort to minimize contact and avoid both injury and conflict. REMEMBER: the intent of our league is fun.

28. **Running a Player:** If an individual intentionally makes contact with another person while base running, that person will be automatically ejected from that game. The incident is to be reported to the league and the player will be immediately suspended until a committee grievance meeting has been conducted.

29. **Slap Bunting:** Slap bunting is **NOT ALLOWED.** A "Slap bunt" is when the batter assumes the bunt stance (squares and faces the pitcher), and as the pitch is delivered, the batter pulls the bat back and takes a full swing at the pitch. The batter is automatically out and the ball is dead.

30. **Pinch Runners:** The batter must get to first base before a courtesy runner goes in. The courtesy runner must be the last available batter of the same gender. Pinch runners to be discussed and determined prior to start of the game unless in the case of game injury.

31. **Pitching:**

- **No windmill, no sling, with a straight arm (wrist and elbow are not to break during backswing).**

- Backhand pitches are not allowed; delivering the ball palm down is against the rules. - The pitcher must start with both feet on the ground and in contact with, but not off the side of, the pitchers plate.

Parkland Fun Ball 2025 Adult League

- The pitcher must start with shoulders and hips in line with first and third bases; pitcher must be facing the batter.
- A rocking motion is illegal.
- The pitcher must use the bowling style pitch.

32. **Automatic Out:** If a ball is hit:

- o between two lines drawn 24 inches from the center of the pitcher's plate (see diagram below)
- o within the pitchers reach above their head
- o from the ball on a full swing by the batter
- o from a line drive, or bounce
- o male or female

the batter is automatically out and the ball is dead.

** If the pitcher makes an obvious offensive play for the ball, the rule is not in effect. **

The lines must be drawn by the home team prior to the game.

Pitchers Plate

-----24 inches ----- 24 inches -----

33. **No Pets Policy:**

Pets are not allowed at any practices, games, or any community tournaments. It is the coaches or contact's responsibility to see that their teams and fans adhere to this rule. If a team member or an associate of the team has a pet at a ball diamond, the team will receive a \$25.00 penalty for the first offence. (Operations Manual #22). **For having a dog at a tournament the fine will be \$100.00.**

34. **Player leaving the game:** During a game, if a player has to leave, due to personal or other reason, that person is crossed off the batting order providing there are 9 players remaining. If less than 9 players are left, then the team would take an automatic out.

35. Please remember that this is a Monday night league and not a tournament league. Monday night games are mandatory, they are not an option.

36. All teams must post on the website their game scores, including cancelled games, a minimum of every 2nd week, or they will forfeit their right to play in the year-end tournament and they will lose their deposit.

37. When determining divisions, scores will be taken into consideration and if they haven't been posted then we will assume that you won those games.

38. It is mandatory for one player from each adult team to be present at the three general meetings in September, February and March. If not then a \$25 penalty per meeting will be issued
